SUMMER RESEARCH PROGRAMME – 2018

S.N. Bose National Centre for Basic Sciences announces Summer Research Programme - 2018 to be conducted during May to July 2018.

Eligibility: Students in first / second year of M.Sc. or 4th / 5th year of Integrated M.Sc. in Physical, Chemical (including Biophysics and Chemical Biology) and Mathematical Sciences.

Duration: The project will be for a period of eight weeks (with no break) under the supervision of a Faculty Member of SNBNCBS in an area of mutual interest. Stay for a period less than eight weeks will not be entertained.

Salient Points:

- On-campus accommodation is mandatory, and is chargeable (or deductible from fellowship amount).
- Access to computational and library facilities will be provided as per rule of the Centre.
- Each candidate must submit a formal *Joining* report within 1 week of joining, containing abstract of the project, bank account details, and approval by selected faculty member.
- At the end of the project, students are required to give a presentation of their work and also submit a project report for the award of completion certificate.
- Selected candidates must abide by the rules and regulations applicable to the regular students of SNBNCBS.

Financial Support:

- The Centre will provide each student an honorarium of Rs 2,000 per week to cover the hostel and other expenses.
- The outstation students will be reimbursed with AC III Tier return Train Fare (except Rajdhani, Duronto and similar trains) between their place of work or residence and Kolkata.

How to Apply:

- Interested students with consistently good academic record may directly write to the Convener, Visitor, Associates & Students Programme (VASP) or srp2017@bose.res.in with a preference list of two Faculty members with whom they would like to associate.
- The list of members of the faculty of the Centre and their fields of research are available in the webpage of the Centre. Students must contact and get consent of the respective faculty members before sending the application.
- A Letter of Recommendation by the Head of the Department or by a senior member of the Faculty, who has taught the student, should accompany the application.

Important Dates:

Last date for receipt of completed application form: 05 March 2018

Summer research programme begins: 01st May 2018

Summer research programme duration is eight weeks (any time between May – July 2018)

Selected candidates' list will be intimated by last week of March 2018 in the web-page of the Centre.
