

*AN APPEAL TO THE FORMER PARTICIPANTS  
of  
C K Majumdar Memorial Summer Workshop in Physics*

This is a unique moment for us in IAPT RC 15 to address you on the occasion when we are going to **organize the 25<sup>th</sup> version of the Workshop that you attended in one of the previous years** as an outgoing B.Sc (Physics Hons/Major) or M.Sc. first Semester student and had a brief look to the world of higher physics and how the path moves through research activities. Since then, we know, for a good section of the former participants the career path has also brought them into the arena of physics either as a researcher or as a teacher or in any field other than physics.

This workshop began at 1999 with the inspiration from Prof C K Majumdar and it had special stress in experiments in physics. We unfortunately lost Prof Majumdar in 2000 and then we decided to dedicate it in the memory of this physicist of highest order. Later, we had to change some of the characteristics of the programme without any compromise on its quality. We feel that its excellent ability to encourage the young minds to continue their walks in the paths of physics has kept us organizing this programme for more than 25 years.

Prof C K Majumdar was the founder Director of S N Bose National Centre for Basic Sciences (SNBNCBS) and it is providing us excellent support for the programme and we are jointly organizing this workshop with SNBNCBS for last ten years or so. **This year the Workshop will be held in SNBNCBS from July 22-31, 2024.** During the 25<sup>th</sup> version of the Workshop we want to look back and listen from you about your experiences about the Workshop that you participated along with a brief note about your present activities. Please send us a write up (preferably ~ 500 words) and we want to bring out an e-collection of these write ups. If you want to visit us during this year's workshop at SNBNCBS and like to have a look at the activities undertaken presently you are most welcome. Just let us know when you will be visiting. We shall send you the programme when that gets finalized around 18-19 July 2024.

We shall be very happy if you fill up the google form attached herewith through the link below and request other former participants to fill it up. We hope to get a very positive response from you. If you have any query, please feel free to contact us.

**Dr Saswati Dasgupta** (Jt. Convenor, CKMMSWP 2024) Ph no 9836388638 [sasdasgupta24@gmail.com](mailto:sasdasgupta24@gmail.com) **Dr Bhupati Chakrabarti** (Jt. Convenor, CKMMSWP 2024) Ph no 9433106086, [chakrabhu@gmail.com](mailto:chakrabhu@gmail.com)
