

**S N BOSE NATIONAL CENTRE
FOR BASIC SCIENCES**

Block JD, Sector III, Salt Lake, Kolkata 700 106

DEPARTMENTAL SEMINAR

Department of Astrophysics and High Energy Physics

8th December, 2023

4.00 PM

ONLINE/ FERMION

SPEAKER

**Prof. T.R. Govindarajan,
Retired Professor
Theoretical Physics, Institute of Mathematical Sciences
and Krea University**

TITLE OF THE TALK

Fuzzy Dark Matter - Bose Connection!

ABSTRACT

A novel proposal is made for dark matter candidate.

In this year of Bose it is related to his contributions hundred years back.

HOST FACULTY

**Prof. Amitabha Lahiri, Senior Professor
Dept. of ASTROPHYSICS AND HIGH ENERGY PHYSICS**
